

Note to Scoutmaster: This form is intended for you to photocopy and distribute to your youth as they make their Merit Badge selections for Winter Camp 2014. There is a list of Merit Badges in the following pages for Scouts to reference.

Circle Ten Council CampMaster Course Selection Form

Scout Name: _____ **Rank:** _____

Would like to buddy with

Scout Name: _____ **Rank:** _____

Years at Camp: _____

Signing up for Merit Badges is easy! List the courses you wish to take in priority order. See the detailed course list for the course names to choose from. Up to 3 courses can be scheduled in the allotted Winter Camp day. Once you make your selections the CampMaster program will automatically assign times to your course schedule. Keep in mind each Merit Badge class is 50 minutes in length over 3 days total; Merit Badge counselors may offer additional "lab times" in the afternoon or evening in order to facilitate completion of certain requirements and it will be up to the Scout to listen and follow up with any lab times offered. Additional course names are collected in case some of the top 3 are not available.

Priority

Course Name
